

The U.S. Department of Health and Human Services announced the availability of funding for the Small Grants for New Investigators to Promote Diversity in Health-Related Research (*Catalog for Federal Domestic Assistance numbers: 93.242 and 93.847*)

The purpose of this program is to provide support for new investigators from backgrounds nationally underrepresented in biomedical research to conduct small research projects in the scientific mission areas of the National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), the National Institute of Mental Health (NIMH) and the Office of Dietary Supplements (ODS).

***The application deadline is September 7, 2015***

Eligible applicants include state and local governments, institutions of higher education, nonprofit organizations and small businesses.
